

June 2016

## NEWSWORTHY NOTES:

Congratulations to all our 2016 graduates. The scholarship applications have been processed, and the recipient of our \$500 scholarship is Brianne Taft. In addition Rian Kwarcianny, Hannah Moberg, and Jordan Erickson were selected to receive a scholarship. Best wishes as you start fall classes, or begin your career.

### DEBIT CARD Notice

You have the right to tell us NOT to pay overdrafts for debit card purchases you make at a store, online, or by telephone. If you do, we will decline these transactions if you do not have enough money in your account to cover them. As a result, you may pay fewer overdraft fees.

To opt out of our overdraft coverage or for information about alternatives we offer for covering overdrafts (including linking this account to another account with us), please contact us at 906-786-0888. Thank you for your understanding.

You can now use your Visa Platinum or Platinum Rewards credit card with Apple Pay at Northern United Federal Credit Union.. Once you're enrolled in Apple Pay, you can make purchases and check out with the simple touch of a finger. Use Apply Pay in apps with your iPhone 6, at hundreds of thousands of stores nationwide.

Secure, simple, and even more useful.

Paying in stores or within apps has never been easier or safer. Gone are the days of searching for your wallet.. Now you can use your Northern United Federal Credit Union credit card, with just a touch.

Apple Pay is simple to use and works with the cards you already have on the devices you use every day. And because your card details are never shared when you use Apple Pay — in fact, they aren't stored on your device at all — using Apple Pay on your iPhone, Apple Watch, or iPad is the safer and more private way to pay.

Now paying in stores happens in one natural motion — there's no need to open an app or even wake your display thanks to the innovative Near Field Communication antenna in iPhone 6s, iPhone 6 and iPhone SE. To pay, just hold your iPhone near the contactless reader with your finger on Touch ID. Or you can double-click the Home button when your iPhone is locked to access Wallet and quickly make your purchases. Your card number is never stored on your device, and when you pay your credit card numbers are never sent to merchants. Apple Pay assigns a unique number for each purchase, so your payments stay private and secure.

Thank you for your interest in Apple pay, please note: Samsung and Android pay will be coming soon.
