

BBQ Luncheon catered by Chef Chris Rogers

A barbeque luncheon will be held on Thursday, October 13th from 11:00 am until 2:30 pm. The luncheon will be free to members, and at a cost of \$8 per plate for non members. Members should be prepared to show their membership card.

This luncheon is being held in lieu of our annual dinner, which is generally held in January of each year. Our 2012 Annual Meeting will be held in the lobby of the credit union. As attendance continues to decrease at this annual event, we are trying new ways to accommodate our growing population of "snow birds".

Please join our Board of Directors and staff at this event, and help us celebrate credit union week, early!

International Credit Union Day

On October 20th, credit union members worldwide will join together to celebrate the benefits of membership!

Unlike other financial institutions, credit unions are not-for-profit, democratically controlled, volunteer-run, member-owned cooperatives. They exist to serve their members and that level of service remains high even during the toughest times. Credit unions provide value to their members with low cost services and by returning earnings in the form of lower loan rates, higher interest rates and minimal service or transaction fees.

Stop in Thursday, October 20th, 2011 for coffee, cookies and don't forget to sign up for our drawing! In addition the UP Chapter of MCUL will be giving away a grand prize of \$500.

NOMINATING COMMITTEE

The nominating committee is seeking volunteers to run for the position of Board of Director for the 2012 term. It is the duty of the nominating committee to nominate at least one member for each vacancy. This is done in accordance to our Federal Credit Union by-laws.

If you are interested in being a nominee please submit a brief statement of qualifications and biography to the nominating committee. Election will be held during the annual meeting.

In accordance with our federal credit union bylaws, an election will not be conducted when there is only one nominee for each position to be filled.

If you are interested, please contact Nancy at 906-786-0888.

Technology helps

Does a sufficient level of technology exist to serve our credit union members needs? This is a question we continually ask, and is also the reason we've expanded our services with the addition of e-statements.

E-Statements:

Instead of waiting by your mail box for your statements to arrive, you can check your savings, checking, and also credit card statements on line, any time. A downloadable monthly statement is generated for your review. In addition, all statements are archived securely on the credit union's web site for ease in access.

If you are interested in E-Statements

please sign up at www.myfcu.net or call Meg for more information. For VISA e-statements please sign up at www.ezcardinfo.com.

Home Banking:

Our home banking product is a secure site with several layers of authentication. With this Free product you can:

Transfer money between your accounts at NUFCU,

Make balance inquiries on your accounts, and your loans

Reconcile your checking account, daily, weekly or even monthly at your leisure,

Review your account history, and recent transactions as well as

Make payments on the loans you have with us.

Bill Pay:

Bill Pay is an elected service, and has a cost associated with it. With bill pay, you can manage your payments, and household bills. You designate who to pay, how much, and when.

If you are interested in any of these services, please contact us at 906-786-0888, or visit www.myfcu.net.
